

APTEAN EQUIPMENT ERP EXTENDED PROFILE

Ready for What's Next, Now®

OVERVIEW

Aptean Equipment ERP is designed to address the requirements of equipment providers typically more than \$20 million in sales, or more than 20 ERP system users.

Aptean Equipment ERP provides a 90-95% out-of-the-box fit for most businesses, which means a lower-risk implementation. Whether you host in the Cloud or On-Premise you will achieve a greater user adoption and lower cost of implementation.

Aptean Equipment ERP includes Business Notifications; Dashboards & Insights; Warehousing; Logistics Management; Checklist Management; Resource Planning; Telemetry Integration; Jobs; Manufacturing; and Relationship Management. Optional modules available in EquipSoft Professional Edition include Graphical Dispatch; Field Service Automation (mobile); Credit Card Integration; EDI; E-ship; eCommerce & Portals; as well as Microsoft in the Cloud – CRM, SharePoint Online, and Office 365.

Equipment providers such as Equipment Depot, and Yale/Chase Equipment & Services, have benefited from EquipSoft Professional Edition software.
